Dear friends & colleagues,

Cancer prevention research and its implementation is a global task. Through our conference series on cancer prevention, we aim to increase the visibility of cancer prevention research at all levels, from foundational studies to real-world implementation, and to promote greater awareness of its vital role.

## **4<sup>th</sup> International Conference on Cancer Prevention**

**28-30 October, 2024**

**in Heidelberg**

The International Conference on Cancer Prevention is a flagship event series hosted by the [National Cancer Prevention Center \(NCPC\)](#), a strategic partnership between the German Cancer Research Center (DKFZ) and the German Cancer Aid. This initiative is in line with the German National Decade against Cancer and serves as a concerted effort to highlight the importance of cancer prevention research.

**Call for abstracts is open**

We cordially invite you to [submit your abstract on cancer prevention research](#). Abstracts submitted will be considered by the Program Committee for the poster exhibition and most high-ranking abstracts have the chance to be selected for a talk within a session (Oct 29/30).

Abstracts must be submitted via the [conference website](#) by **17 May 2024**.

## Program and registration

Experience the highlights of our conference, featuring keynote and perspectives lectures, diverse networking formats, and engaging poster sessions - come gather with fellow prevention experts!
