

## WORKSHOP PROGRAM 16 - 18 SEPTEMBER 2022

### WOMEN'S HEALTH IN TIMES OF GLOBAL AND PLANETARY CHANGES

**FRIDAY, 16.9.22 14:30 - 16:00**

#### **Planetary Health - Psychological dimensions of the climate crisis**

(Dr Melanie Gerhards, in German)

Universitäts-  
klinikum  
Ernst-Grube  
Str. 40 Halle,  
Lehrgebäude,  
SR 5—9

*Aus ihrer Sicht als Psychiaterin spricht Frau Gerhards über Implikationen der Klimakrise auf unsere psychische Gesundheit, psychotherapeutische Perspektiven auf multiple Abwehrmechanismen und Lösungswege, um aktiv zur Transformation beizutragen.*

#### **Communication with female migrants in health care** (Simone Schwarz, Veronika Weixler)

(Saida e.V., in German) *Der eigene Anspruch sensible Themen anzusprechen, ist nicht immer leicht zu erfüllen. In diesem Workshop möchten wir Fallstricke besprechen und Kommunikationsstrategien erproben.*

#### **Global health I - 5 years on the ground in Tanzania** (Dr Antje Henke, in German)

*Über 5 Jahre lang organisierte Antje Henke Zervixkarzinom- und Brustkrebs-screenings in Tansania. In diesem Workshop möchte sie ihre Erfahrungen teilen und praktische Tipps zur Arbeit im Ausland geben.*

**FRIDAY, 16.9.22 16:30 - 18:00**

#### **Global Health II - Ethiopian community perspectives** (Dr Mirgissa Kaba, in English)

*Dr. Mirgissa is an experienced researcher in the field of public health in Ethiopia. In his work he has to balance between the communities, health care workers and policy makers. In this workshop he will highlight communication barriers and opportunities as well as strategies.*

UKH Halle,  
Lehrgebäude,  
SR 5—9

#### **Speaking and presentation skill training** (Alexis Krüger, in English)

*Being successful to present is a proficiency. This workshop will offer practical training to upgrade your presentation skills especially for all non-native speakers.*

**EVENING EVENT: Fritzengarten (Jägerpl. 14, 06108 Halle), 19:30**

**SATURDAY, 17.9.22 17:00 - 18:00**

#### **Global Health, racism and colonial continuities** (Dr Angela Schuster, in English)

*While discussing Global Health in Germany, racism and colonial continuities should be taken into account. This workshop invites the audience to critically engage with and reflect on historically evolved power structures in the field of Global Health.*

Online

#### **Planetary Health Education in Public Health and Medicine**

(Dr Cecilia Soerensen, Melvine Otieno, Laura Jung, Nikolaus Mezger, in English)

*It is well acknowledged that health professionals are required to tackle climate change. How to educate medical and public health students, and how to encourage them to actively engage in transformative action needed within and beyond the health sector will be this workshop's topic.*

**EVENING EVENT: Waldkater (Waldkater 1, 06120 Halle), 19:30**
