GENERAL INFORMATION

Time Zone

The time zone in Germany is Central European Time (UTC+01:00) and Central European Summer Time (UTC+02:00).

Climate

Neuruppin in June is usually pleasant with generally mild spring-like weather. By mid of June, morning temperatures will be 11-13°C (low to mid-50s F) while afternoon highs will usually reach 21-23°C (lower 70s F) with a few days possibly reaching up to 26-28°C (into the lower 80s F).

Electricity

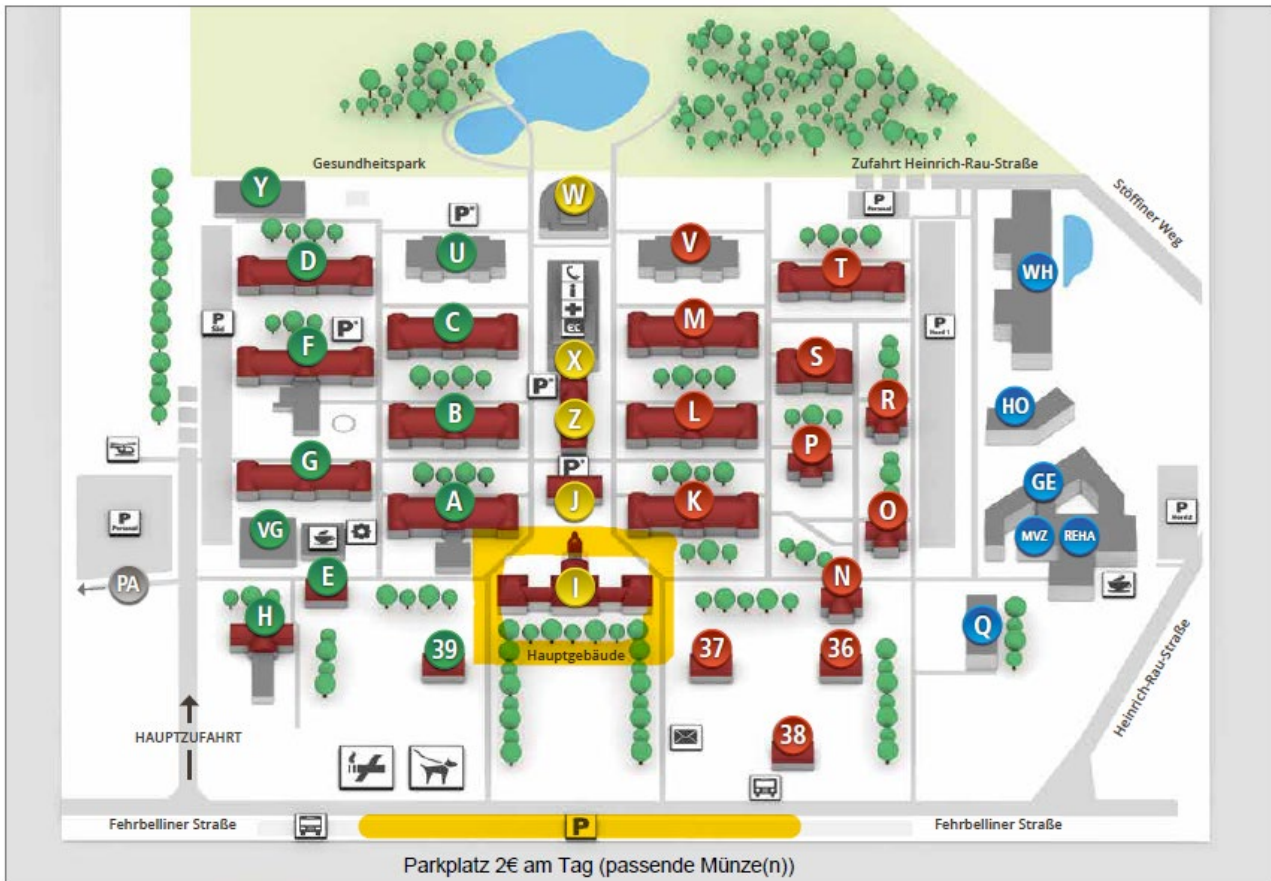

All power sockets in Neuruppin provide a standard voltage of 230V with a standard frequency of 50Hz. Power outlets and plugs are of types C & F.

Liability & Insurance

The Organizers cannot accept liability for personal accidents or loss of or damage to private property of participants. Upon registration, participants agree that the Organizing Committee nor the Meeting Secretariat assumes any liability. Participants are advised to arrange their own personal travel and health insurance for their trip.

Safety & Security

Please do not leave bags or suitcases unattended at any time, whether inside or outside the session halls. Hotels strongly recommend that you use their safety deposit boxes for your valuables.
