
Dear colleagues,

Department of Clinical Epidemiology in Aarhus, Denmark is hosting its 7th annual pharmacoepidemiology summer school. This year's week-long course is titled **Drugs, Diseases, Devices: Topics and methods in real-world pharmacoepidemiology**.

- **Target audience:** PhD students, postdocs, clinicians, and other professionals seeking to advance their skills and knowledge.
- **Dates:** 15-19 June 2020 in Grenaa, Denmark.
- **Early bird registration:** by 5 March 2020. We have 32 seats available and registration is taken on a first-come, first-served basis.

Visit <http://kea.au.dk/education/summer-school/> for more information and to register.

With kind regards,
Helle on behalf of the summer school team
