

Workshop “Biometrical Aspects of Genome Analysis XIV” (Formerly Rauischholzhausen Workshop)

4th- 5th October 2021 (9 am to 5 pm each) via Zoom

Invitation and Call for Abstracts

Contributions on genomic and genetic data analysis are welcome. We explicitly encourage the submission of work in progress and on unsolved issues.

Networking / get together

Networking on a virtual basis will be possible. Details will be provided soon.

Deadline for abstract submission: 15th August 2021

Invited Talk on “Phylogenetics” by Denise Kühnert

(Transmission, Infection, Diversification & Evolution (tide) research group; Max Planck Institute for the Science of Human History; Jena; Germany)

Hands-on-Tutorial on “Deep learning” by Stefan Konigorski & Machine Learning Group

(Hasso Plattner Institute for Digital Engineering; Potsdam; Germany)

Registration and Abstract Submission:
